Cary R. Glay is Master Chemical Corporation's new Chief Financial Officer

Perrysburg, Ohio, March 25, 2009—Master Chemical Corporation is pleased to announce that Cary R. Glay has joined Master Chemical Corporation as Chief Financial Officer. In this role, Mr. Glay will have global financial responsibility for the Corporation to direct and oversee all financial and information systems functions assuring compliance and continuous improvement. Mr. Glay will report to Joe H. Wright, Chairman and Chief Executive Officer.

Mr. Glay holds a Masters of Business Administration from The Weatherhead School of Management at Case Western Reserve University and a Bachelor of Business Administration in Finance from Ohio University. Mr. Glay is also a Six Sigma Green Belt.

Prior to working for Master Chemical, Mr. Glay has held several financial leadership positions with Eaton Corporation and Avery Dennison Corporation, including Division Controller roles for Eaton's Global Hose and Aerospace organizations. He was the Director of Finance for Avery Dennison Australia. Most recently Mr. Glay was the Controller of Acquisitions and Integrations for the Industrial Sector of Eaton Corporation.

About Master Chemical Corporation

Master Chemical Corporation was founded on November 13, 1951. Since then, working closely with the worldwide metalworking community, Master Chemical Corporation has developed and marketed a full line of specialty cutting and grinding fluids, cutting oils, concentrated washing and cleaning compounds, and rust preventives all under the TRIM® Brand trademark. These products are both environmentally sound and when used in conjunction with Master Chemical's XYBEX® Coolant Recycling and Filtration Systems, are the most durable and stable products available anywhere today. Master Chemical has always been committed to the safety of the people who use our products, the protection of our planet, the environment we live in, and the overall impact on our customers' profitability. Master Chemical serves customers globally. For further information please contact a local Distributor near you <http://www.2trim.us/distributors.php>, call us at 419-874-7902, or visit our website at www.masterchemical.com.
