### **Master Chemical has been selected as one of The Toledo Blade Top Workplaces**

Perrysburg, Ohio, March 11, 2014 — Master Chemical Corporation is pleased to announce that it has been selected as one of The Toledo Blade Top Workplaces!

On Sunday, January 26, The Blade published "[The Toledo Blade Top Workplaces](#)"- a list of the best places to work in the Toledo metro area and Master Chemical has been named third in the small business category. For this survey, a small business was classified as one with less than 75 employees. The Top Workplaces are determined based solely on employee feedback. The [employee survey](#) is conducted by WorkplaceDynamics, LLP, a leading research firm on organizational health and employee engagement. WorkplaceDynamics conducts regional Top Workplace programs with 40 major publishing partners across the United States. Over the past year, more than 5,000 organizations and 1 in every 88 employees in the U.S. have turned to WorkplaceDynamics to better understand what's on the minds of their employees.

For more information about Top Workplaces and Workplace Dynamics, please visit <http://www.topworkplaces.com/> and [www.workplacedynamics.com](http://www.workplacedynamics.com).

In response to the question, "I have confidence in the leadership of this company", Joe Wright, Master Chemical's Chief Executive Officer, was voted the winner in the small business category. "Part of our mission at Master Chemical is to continuously improve performance through the efforts of our engaged, market-driven work force. I think that this award shows that we have been focusing our resources in the right place", stated Joe Wright.

**About Master Chemical Corporation** — Master Chemical Corporation was founded on November 13, 1951. Since then, working closely with the worldwide metalworking community, Master Chemical Corporation has developed and marketed a full line of specialty cutting and grinding fluids, cutting oils, concentrated washing and cleaning compounds, and rust preventives under the TRIM<sup>®</sup> and Master STAGES<sup>™</sup> brand trademarks. These products are both environmentally sound and when used in conjunction with Master Chemical's XYBEX<sup>®</sup> Coolant Recycling and Filtration Systems, are the most durable and stable products available anywhere today. Master Chemical has always been committed to the safety of the people who use our products, the protection of our planet and the environment we live in, and the overall impact on our customers' profitability. Master Chemical serves customers globally. For further information, please contact a local distributor, which you can find at <http://www.2trim.us/distributors.php>, or call us at 800.537.3365, or visit <http://www.masterchemical.com/>.
